

Personal Risk Services

Personal Risk Assessment for Wealth Protection

USI's Personal Risk practice offers dedicated individual risk management consulting from the collaborative effort of hundreds of personal risk specialists nationwide. As one of the nation's largest privately held personal risk brokerage firms, USI's expertise provides protection across the economic spectrum serving individuals, families, emerging wealth and Family Offices. Our multi-year strategic process evaluates short and long term impact to the personal wealth of our clients. We are focused on delivering actionable, measurable risk solutions that protect income and wealth, enhance coverage, control costs and provide more efficient investment of premium dollars.

Insurance Program Suite

The USI ONE Advantage[®]

What truly distinguishes USI as a premier personal insurance brokerage and consulting firm is the USI ONE Advantage, a game-changing value proposition that delivers a robust set of risk management solutions with bottom line impact.

Omni Knowledge Engine™ – A proprietary risk analytics platform for personal risk solutions; real time, interactive, and customized for each client to identify exposures, tailor coverage and reduce cost.

Resource Network – Dedicated technical experts networked nationally and embedded in local offices to build integrated client centered account teams and deliver superior personal risk services.

Enterprise Planning – A disciplined, focused, deep analysis centered on your individual risk issues and challenges. Highly consultative meetings integrate USI's Omni analytics with our broad resource network to build a comprehensive risk management strategy aligned with your needs.

Experience the USI ONE Advantage today!

Client-Focused Solutions for Personal Insurance

An individualized risk profile that allows us to build a customized plan for your unique set of risk exposures.

Evaluation of individual tolerance for risk and how to best allocate your insurance budget.

A comprehensive coverage analysis and discussion of potential strengths, weaknesses, and gaps in your current portfolio.

Risk-mitigation strategies that can help lower the likelihood of a loss and unlock savings in your insurance program.

At USI, we understand how hard our clients work to achieve individual success.

We work closely with you to create customized solutions that help manage your personal risk and protect individual and family assets.
